

Puzzle of the Month, December 2010

Solve for each number, then answer the question below.

- Clues 1-3 each refer to a single word.
- Clue 4 refers to two words.

1. Each of these refers to a two-letter abbreviation:

- Sending a letter via a third party;
- Medical degree;
- Pine Tree State;
- Atomic Number 13

2. Saltpeter + Sulphur + Charcoal

3. These two definitions refer to words that start with the same letter. Solve, and then replace their first letters with a different one. Pair these together to get a food item:

- A young sheep;
- A common bagel topping

4. a.)

b.)

What explorer requires these items?
